 The image shows a technical drawing of a circular component. The top view is a circle with a central hole and eight surrounding holes. A dimension line indicates a diameter of $\varnothing 5$ for the central hole. The cross-section view at the bottom shows a trapezoidal shape with a top diameter of $\varnothing 11$, a bottom diameter of $\varnothing 18$, a total height of 10, and a shoulder height of 7.5. A small detail view shows a chamfered edge with a 45-degree angle.	Materialcode 01 NBR 03 NR 02 Silikon
